## AXIS JURIS INTERNATIONAL JOURNAL

### Letter Of Recommendation

Date - 01/11/2023

#### TO WHOMSOEVER IT MAY CONCERN

Writing this recommendation letter for Shivani Kharai, a student at the **National Law School Of India University, Bangalore**, gives me great joy. She was a content writer for the Axis Juris International Journal, and she made exceptional contributions. She put in a lot of effort and diligence into her work throughout that time (**October 01, 2023, to October 30, 2023**). We firmly suggest her and have faith in her ability to excel as a professional, based on our observations of her abilities. We heartily endorse **SHIVANI KHARAI** as a deserving candidate for law school and as a wonderful person.
