## AXIS JURIS INTERNATIONAL JOURNAL

### Letter Of Recommendation

Date - 11/01/2024

#### TO WHOMSOEVER IT MAY CONCERN

Writing this recommendation letter for Dinesh Kumar, a student at the **IFIM Law School (Bengaluru)**, gives me great joy. He was a content writer for the Axis Juris International Journal, and he made exceptional contributions. He put in a lot of effort and diligence into his work throughout that time (**December 01, 2023 ; to December 30, 2023**). We firmly suggest him and have faith in his ability to excel as a professional, based on our observations of his abilities. We heartily endorse **DINESH KUMAR** as a deserving candidate for law school and as a wonderful person.
