AXIS JURIS INTERNATIONAL JOURNAL

Letter Of Recommendation

Date - 11/01/2024

TO WHOMSOEVER IT MAY CONCERN

Writing this recommendation letter for Priyanka Jain, a student at the **University of Delhi, Campus Law Center, Faculty of Law**, gives me great joy. She was a content writer for the Axis Juris International Journal, and she made exceptional contributions. She put in a lot of effort and diligence into her work throughout that time (**December 01, 2023 ; to December 30, 2023**). We firmly suggest her and have faith in her ability to excel as a professional, based on our observations of her abilities. We heartily endorse **PRIYANKA JAIN** as a deserving candidate for law school and as a wonderful person.
